

## ASB FRESHMAN COUNCIL VICE PRESIDENT RESULTS

HEY EVERYONE,

After much deliberation, the ASB advisors, the president, vice president, and myself (“The Panel” as I will refer to it) finally came to a conclusion. Before I announce the Freshman Council Vice President for the Class of 2020, I would like to sincerely thank everyone for all of the effort that they put into this. I know that the entire process was stressful for everyone, especially since you had to go into this process right after the elections. Also, I know how nerve-racking the interviews were, and I was so impressed with all of the candidates! Still, everyone was extremely committed and I am so proud to have each and every one of you on Council with me, and cannot wait to work with you all individually and as a whole! This decision was not easy in any way, and if I could, I would choose to have everyone fill the position. That being said, sadly, I was limited to one and the Panel decided that the best candidate to fill this position was:

**HANNAH WOO!**

**Congratulations! You were really able to impress all of us in your interview through your vocalty regarding what you can bring to the table, and we strongly believe that you will be a great candidate to fill this position. We are so excited and cannot wait for you to join our ASB class! I hope you are aware of the many responsibilities that come along with this title, but we are confident that you will be able to meet the expectations.**

For those of you who ran for this position, I hope you all know I have great respect for you. Since you were all able to communicate to me that you are committed to being a leader at the school, I will likely ask for your assistance in leading the committees within council. Also, as President, I am able to appoint my own positions such as secretary, treasurer, publicist, etc., and, although they will not be official positions in ASB, if you might be interested, we can talk about that!

Yours Truly,  
CLARE the troJUN!
